

Celebrating State Beverages & Animals

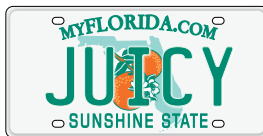

BY STEFAN LONCE

Vanity license plates are minimalist poetry in motion; they empower motorists to

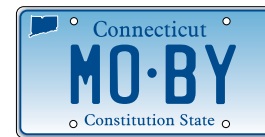

tell the shortest of stories, in eight or fewer characters. Vanity plates can turn strangers into neighbors, and neighbors into friends.

Pretend vanity plates are blank canvases that encourage creativity—and brevity. Identify the official beverage or animal for each of the states whose vanity plates are listed below; real-life motorists have vanitized with some of these VNTY PL8S. Visit the *Move* online page of www.aamva.org to see the answers to these puzzles!
